THE PEANUT

Volume XLVI
SUFFOLK HIGH SCHOOL
Suffolk, Virginia

The cover of the 1968 PEANUT displays the seal of Suffolk High School. Two symbols are engraved on this seal: the lamp of learning and the crown of leadership. Symbolizing our years at Suffolk High, these emblems serve to remind us of moments of happiness as well as sadness. In later years, however, it will be the happy memories which will be cherished. With this thought we recall our days at S. H. S. — days of learning, but also days of sunshine, laughter, and unforgettable friendships. In the 1968 PEANUT we have tried to capture a little of the spirit of HAPPINESS which has filled our past and will offer countless moments of pleasure in the future.

GUIDANCE

Dedication

Full of fun and spirit, this enthusiastic teacher offers a bulwark of support to the students of Suffok High School. Her sweet smile of approval is worth a thousand words to us. Her personal interest in the individual, as well as her natural ability to understand and cope with student problems, bridges the margin between faculty and student. Being wholly dedicated to her profession and showing a sincere desire to increase the knowledge and broaden the minds of her students, this teacher makes learning a happy experience.

Because we feel that she exemplifies the qualities of a rare and priceless teacher, guide, and friend, we proudly dedicate the 1968 PEANUT to

Outstanding Service

Mr. J. I. Jones, Superintendent of Building and Grounds for the Suffolk city schools, has been the Jack-of-all-trades around S.H.S. for twenty-five years. As supervisor of the janitorial staff, Mr. Jones has kept our school and grounds neat, clean, and attractive in appearance. The students of Suffolk High wish to salute you, Captain Jack, for your enumerable contributions to our school.

Aiding Mr. Jones in the guidance and administration are secretaries, Mrs. Eddy and Miss Morris; Director of Instruction, Mrs. Burton, and Director of Guidance, Mrs. White.

Mrs. Duke, Mrs. Hughes, and Mrs. Watkins head our fine cafeteria staff, preparing nourishing meals for the students and teachers.

Mr. Jack Jones supervises the janitorial staff and also keeps the seniors supplied with Nabs.

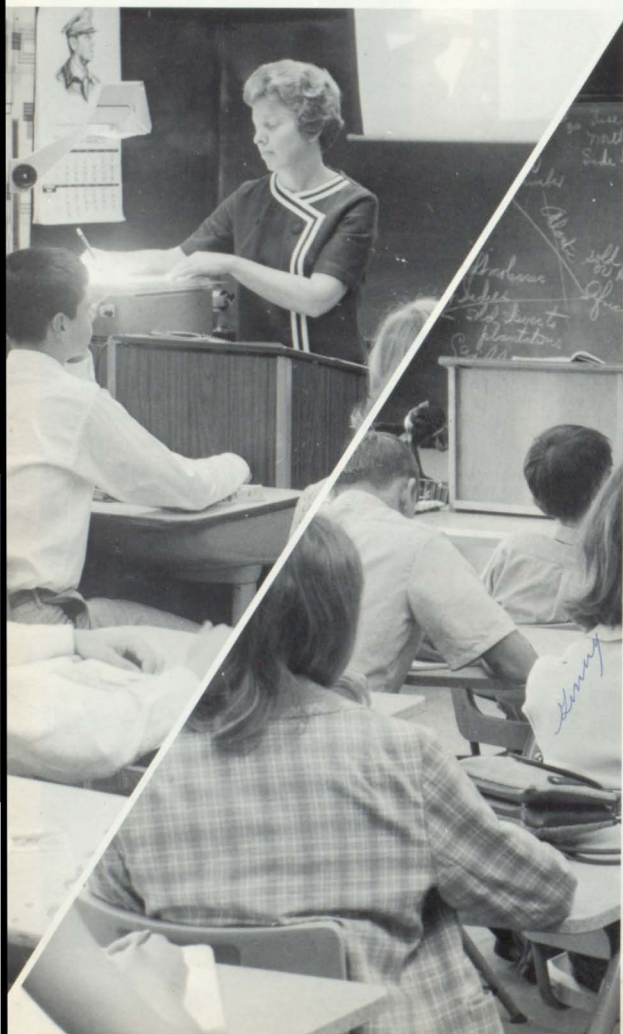

The members of our janitorial staff, Earl, Tom, and Roy, work together to keep S.H.S. neat and clean.

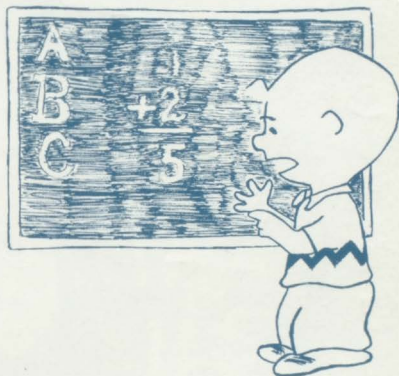

Our nurses, Mrs. Hall and Mrs. Holland, devote their time to promoting better health.

Mr. Furr manages the audio-visual program for the city schools.

Ways and Means Committee

The Student Senate meets every other Friday morning for the purpose of governing the student body. Through homeroom representatives, students can make known their complaints, suggestions, or ideas. The Senate takes on several projects during the year. This year at Thanksgiving, students brought canned goods, and baskets were prepared and taken to the Welfare Department. The Sadie Hawkins Dance and the May Ball were also sponsored by the S. C. A. The Senate Ways and Means Committee works with the Senate to help enforce its projects. These two organizations are essential to the efficient function of our school.

One of the Honor Society's money-making projects is operating the cloak room during home basketball games.

The National Honor Society for 1967-68, composed of twenty-four members of the senior, junior, and sophomore classes, has tried to instill in the student body the importance of its four cardinal principles—character, scholarship, leadership and service. In an induction assembly in November, speeches, given by individual members of the organization, were centered on these four qualities. At that time officers were installed, and members inducted. In an effort to keep the importance of honesty in the minds of the students, an Honor Week was held during the week of exams. Posters and a bulletin board were displayed publicizing the theme. To promote an enthusiasm for scholarship, the Society has tried to “reward” Honor Roll students at the end of each six weeks. The Honor Society, again, offered a \$100 scholarship to a deserving senior. This money was raised by the operation of the cloak room at home basketball games.

"Mulleys" endure a vigorous initiation.

The Suffolk High School Key Club has continued its long tradition of service this year by celebrating the club's eighteenth anniversary in November.

The main project of the year was the Bobby Traylor Memorial Scholarship, which the Key Club presents annually to a worthy senior boy. The light bulb sale and several dances were given to raise money for the scholarship. Most of the club also attended the district convention in Baltimore during March.

The club maintained an excellent record of service to the school and community, putting into action the 1967-68 International Theme - "Understanding through Involvement." Ushering at home football and basketball games, working with the local retarded children's program, and holding flag ceremonies at sports events were just a few of the many projects the boys undertook.

The Interact Club is one of the main service clubs at S.H.S. It is a world-wide organization and is sponsored by the Rotary International. The club does much to better school and community life. The main project of the club is the support of an orphan in Germany. This is the second year that the club has supported the child. At Christmas the boys helped put up decorations at Hillcrest Nursing Home and also sold wrapping paper. They carried out several projects during the spring. The Interact Club has proved to be a real asset in regard to service in the school and community.

Interact members help Postmaster J. R. Johnson assemble mail for the T.B. seal distribution.

The Civic Samaritan Tri-Hi-Y, Chapters 1 and 2, have been busily at work all year. By selling Krispy-Kreme Donuts, the girls raised enough money to sponsor their monthly projects. In preparation for the '67-'68 school year, the officers attended a training session at Massanetta. Helping the Disabled American Veterans to sell forget-me-nots, contributing to the Joy Fund, caroling at the nursing homes, attending churches regularly, and participating in the Junior Hi-Y Assembly were just a few of the activities of the year. These deserve to be proud of their many accomplishments.

Gladys Yates Tri-Hi-Y

As a Christmas project the Gladys Yates Tri-Hi-Y took time out to aid the Salvation Army in their community drive for the needy families.

The Gladys Yates Tri-Hi-Y is one of the many service organizations of our school. These junior and senior girls work to serve others and to promote high Christian standards. To start the year right, the senior members gave a get-acquainted cook-out for the new members. Each year the club undertakes several projects involving the school and community. At Christmas the girls served as volunteer workers in the Salvation Army Booths. A Christmas party was also sponsored for the under-privileged children of our community. Following exams, the club sponsored a Clean Week for S. H. S. One week individual members gave morning devotions over the public address system. With such a successful past, the club looks forward to opportunities for service in the future.

Suffolk High's Distributive Education Club was one of the busiest organizations of our school this year. Under the enthusiastic direction of Mr. Farmer the club undertook numerous new projects. Several delegates from the club attended the fall D. E. Conference at Central High School where new plans and ideas for the coming year were discussed. The most outstanding accomplishment of the year was the city-wide D. E. C. A. week sponsored by these students, familiarizing our community with the aims and functions of the club. Bulletin boards, signs and eye-catching arrangements displayed by the club have contributed to the attractive appearance of our school. Our congratulations go to such a fine and outstanding year of accomplishments.

The Spanish Club has strived to instill in the students at S. H. S. Spanish culture and influence. Mrs. Alwood greatly emphasized the culture since she had previously lived in South America. At the Spanish Club Christmas party, a pinata, which had been constructed by various members of the club, was broken in order to obtain the candy that was stored inside. Also at this time, Mrs. Del Rosario gave a talk on Spanish customs and ways of Christmas.

All business meetings were conducted in French, and a special table was set up in the cafeteria for French-speaking students only. Programs on French art and music were presented along with special plays and holiday parties. The club also set up committees to decide on expenditures of the treasury that would be an asset to the language department. Plans were made to supply gifts of books, prints, and equipment which would greatly benefit the club.

Future Teachers of America

FTA members helped usher parents during Open House night at Suffolk High School.

The Future Teachers of America have spent much time this year promoting interest in teaching. The objectives of the F.T.A. include learning more about the teaching profession, cultivating in its members the qualities of personality, character, and leadership essential in good teachers, and becoming acquainted with requirements for teaching. Each member gained vital experience by aiding a teacher in various small tasks. At Christmas members also made decoupages and sold them as their money-making project. The club has given these students a good start toward a future teaching career.

Members worked hard to raise money for their club by selling cookbooks throughout the community.

The F. H. A. seemed to be a very busy club this year. Various projects were undertaken, and all ended with great success. The club's main money-making project was the selling of cookbooks. Bake sales were also held in order to raise money. As a Christmas project, the girls gave a Christmas party for the underprivileged children. A display of projects made by the club members was held later in the year. A dinner was held to install the in-coming officers. The dinner consisted of foreign foods cooked by the girls.

President Barbara Norfleet coordinates the activities of the Pep Club.

Painting signs to encourage school spirit is one of the various activities of the Pep Club.

The '67-'68 Pep Club has boosted team spirit and tried to instill the quality of good sportsmanship in all students. In order to create a stronger, more efficient club, the membership was limited to only a few dedicated members of each grade. The Peanut Bowl was their major project. At this time many tasks were undertaken. A float was decorated for the cheerleaders to ride on in the parade while popcorn and balloons were sold by members dressed as clowns. The club members also decorated the gym in order to make the dance a great success. All during the year, rain or shine, the girls devoted two days of each week to paint signs to boost the morale of the teams.

As its main objectives it chose to promote an interest in individual research projects and to instill in its members an interest in scientific career. Films were ordered on various scientific careers and shown at meetings of the club. The club's biggest project was the projected Science Fair. Participants from the science, math, home economics and industrial arts classes displayed projects around the school. This has been a giant step in the development of scientific interest at S. H. S.

CHEERLEADERS BOOST SCHOOL SPIRIT

As vacation days drew to a close, these ten energetic girls were already working hard learning new cheers, practicing old ones, and perfecting their precision. When school began, a new morning practice schedule started. These girls also planned pep rallies and presented cute skits to encourage the school's support of the team. Backing the team through victory as well as defeat, the squad portrayed the true spirit of S. H. S.

The victory truck carrying the cheerleaders (plus a few extras) rode through Suffolk early Friday mornings, reminding the citizens of the game that night and showing the team—"We've got spirit."

S. H. S. Band

This year the band has certainly been a hard-working group. During football season, the band provided entertainment during half time of the games. It also took part in several parades, including the Peanut Bowl and Oyster Bowl. Then, under the fine direction of Mr. Frank Mesite, the band presented its annual Christmas concert. In the spring, the band participated in the Spring Festival and presented the Spring Concert. Individuals were selected for the All-Regional Band. The Pep Band livened the spirit at the pep rallies and basketball games. The cooperation and effort of the band members have contributed to making the 67-68 band an asset to the school.

Under the superior direction of Mr. Frank Mesite, the band has done an outstanding job in representing S.H.S.

"Beat Franklin" was the cry from the Raider grid camp. The practice week at Fort Eustis gave them the strength and determination needed to beat the Broncos. The Raider tri-captains Bob Small, Donnie Speight, and Bob Sweat led the '67 team to break Franklin's winning streak with a score of 19-0. Willie Whitehead, Suffolk's freshman halfback, qualified as the No. 1 ground-gainer with ninety-four yards on twelve carries. Suffolk then met John Yeates, and the 19-0 victory matched that of the preceding game. The Raiders sparked with touchdown passes to Bob Small and David Tillery, and quarterback Bob Sweat scored on a 48-yard bootleg. Even though Suffolk was beaten by York 38-26, the Raiders did a fine job defending against the stronger

Falcon team. The Raiders fought back stubbornly despite the aerial attack by York and came up with some spectaculars of their own: a 64-yard touchdown pass from Donnie Speight to David Tillery, a 71-yard kickoff return by Bob Small that set up a score, and a 64-yard jaunt by Speight that paved the way for still another TD. The next stop on Suffolk's agenda was Forest Glen. Bob Small caught six of fourteen pass completions for eighty yards, and David Tillery captured a touchdown pass. Tip Palmer did an outstanding job on the line and also intercepted a Ranger pass. After bowing to Southampton, Windsor, James Blair, Ferguson, and York, the Raiders bounced back with a victory in the Peanut Bowl game. Suffolk, led by quarterback Stan Pope, beat the Bull Islanders 26-7. The Raider attack, except for one quick burst by Bob Small on an 85-yard punt return, appeared to consist chiefly of Donnie Speight. Speight carried the ball on thirty of Suffolk's forty-two rushing plays for a total of 203 yards. He also scored three of his nine touchdowns of the season. In the last game of the season, Smithfield downed Suffolk but could not destroy the pride which S.H.S. has in its '67 team.

The success of the '68 J.V. football team was due to full cooperation of players and coaches. Coached by Billy Hill and Mike Pratt, the boys spent many long, afternoon hours improving the skills which led them to victory. The dedication of each team member strengthened the morale and instilled a desire to win. Determination and a fighting spirit boosted the "Little Raiders" to a very impressive 4-0-1 season's record.

1968 RED RAIDERS

The 1967-68 Suffolk Red Raider basketball squad was led by Captain David Holland. The team has been quoted as being one of the most versatile in a long time. The playing power from the bench was remarkable. It was not unusual to see Coach Peachy substitute in the first minutes of the game without fear of being beaten. Before the Christmas holidays commenced, the Raiders had a 4-1 record, losing only to the Ferguson Mariners by a score of 55-31. The boys practiced diligently during the Christmas vacation and started off the new year with a 52-39 victory over Smithfield. The Raiders later beat them again in a conference game 59-54. Suffolk beat John Yeates, Southampton, Poquoson, Forest Glen, Windsor, and others. They then stood alongside Franklin, both unbeaten in the District I Group 2 conference. The Franklin Broncos came to the Raider home court for the first of two games between the teams in which Suffolk won 54-36 for its ninth victory in ten games. However, this was not a conference game; the Raiders had to go to Franklin for that one. On their home court, the Broncos beat Suffolk by one point for a score of 46-45. Franklin went into the district tournament at Frederick College berthed first; Suffolk berthed second. With an overall record of 15-3, beaten only by Forest Glen, Ferguson, and Franklin, Suffolk ended its season in grand style.

Later in the season the Raiders were ousted by John Yeates 11-0 but ended the season with a surprising 2-0 comeback over the Yeates Rebels. Tommy Harry, Suffolk's pitcher, maintained the highest batting average, .222;

'67 Golf

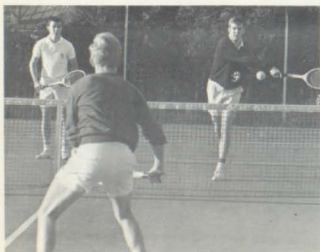

Suffolk High School's golf team operated in a four-member District I Group 2 league during the 1967 season. The seven-man team coached by Al Butler participated in a five-match schedule for district play. Matches were played against Franklin, Forest Glen, Southampton, Wilson, Kellam, and Craddock. Shocking Franklin particularly, the Suffolk golfers claimed the District I crown and then went to the Shenandoah Valley Course for the state championship. Excluding one senior, the entire '67 team returned for another successful year in '68.

With an 8-1 win over Granby, the Suffolk High tennis team began the 1967 season with high hopes. They encountered similar victories over Ferguson, Benedictine, and James Blair; but rain forced a 4-4 tie to end the Suffolk-Maury duel. The Raiders turned back the defending champions of Thomas Jefferson by five points to attain the regional crown. Advancing to state competition were senior Phil Ferguson, Steve Hughes, and captains Harry Cross and Kent James. The Maury Commodores slipped ahead to win the state championship, but the Suffolk netters followed close behind to gain the number-two spot.

Track

Suffolk's Ray Anderson and Jimmy Dixon compete neck and neck with two challengers from Poquoson.

The 1967 season for the Suffolk trackmen was by no means unsuccessful. The team tackled an eleven-game schedule, finishing with 8 wins and 3 losses. Suffolk beat Forest Glen 86-32 and Smithfield 75-43 while tying Gloucester 59-59 and bowing to Norfolk Catholic 65-53. Hosting the 1967 District Track Meet was the highlight of the year for the trackmen. By capturing four first-place titles, Jimmy Dixon was instrumental in Suffolk's winning the second-place award to end the season with a victory over eight other challengers.

"He flies through the air with the greatest of ease"—that's Suffolk trackman Jimmy Dixon who set a record of 20 feet 2" in broad-jump competition.

'68 HONORS

Immediately after the January exams the senior class ranking was announced. Nancy Lou Langston was named valedictorian with a 95.6 average while Tom Britt was the salutatorian.

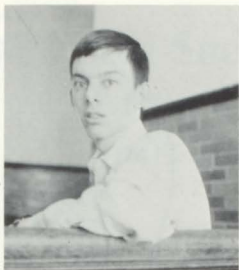

The Homemaker of Tomorrow Award, presented to a deserving Suffolk High senior each year by General Mills, went to Linda Howerton.

Each year the junior class chooses delegates to represent it at Girl's State and Boy's State during the following summer. Sarah Cross, Nancy Lou Langston, Jessie Williams, and David Holland were the four representatives elected by the class of '68.

Jane Eddy was elected to the office of Tidewater District Hi-Y, Tri-Hi-Y vice-president for the year 1968.

Charles Garratt received a \$50 United States Savings Bond from the Suffolk Elks Club for composing the first-place essay in their Youth Leadership Contest.

Nancy Lou Langston received the annual Daughters of the American Revolution Citizenship Award presented to a senior girl who displays the qualities of good citizenship in the school and community.

These two football players were recognized for their outstanding performance during the '67 season. Tri-captain Bob Small received the Most Valuable Player Award and the Tom Sykes Memorial Trophy. The Outstanding Senior Player Trophy went to Tri-captain Donnie Speight.

1967 All-State band members were the following: FIRST ROW, L. to R.: Debbie Felton, Diane Heffington, and Mary Virginia Daniel. SECOND ROW: Mike Reedy, Chris Burton, Billy Burton, and Stanley Holland.

The S.H.S. Band sent four members to the Regional Workshop this year. They were Roxanne Gatling, Bobby Oliver, Billy Small, and Patrick Pierce.

Senior Trudy Horton was selected to represent Suffolk High School in the 1968 International Azalea Festival in Norfolk, Virginia.

Mixed feelings are displayed after the pre-game crowning ceremony. Mr. Moore patiently waits while the girls try to control their emotions.

The members of the court — Princess Hayden, Princess Barbara, Queen Trudy, Princess Sharon, and Princess Judy — were escorted to sideline seats after the pre-game festivities. The Suffolk Rotary Club presented the princesses with engraved charms and the queen with an engraved watch. Evidently one princess just saw a special Raider run past the fifty-yard line.

OUR YEAR

... Peanut Park stands read, "Class of '68" ... Fort Eustis ... torn cartilages ... bandaged limbs ... twenty-one seniors make first six weeks Honor Roll ... November Junior One Hundred ... Mrs. Lipscomb's class bags peanuts ... our Peanut Bowl ... helping Miss Yates with the hot dogs ... senior privilege, please ...

... Nineteen accepted on Early Decision Plan ... assembly rocks with Fort Eustis Band ... Raider dribblers start practice ... Jones "chats" with seniors after second six weeks ... that Nab machine broke again ... "Romeo, Romeo! Wherefore art thou Romeo?" ...

... Parker's advanced math class destiny - Las Vegas ... jolly old Shakespeare gets in the Christmas spirit ... snow ... epidemic hits hard ... January 2, here we go again ... give Mike your money for announcements ... exams - you have got to be kidding ...

... senior class ranking announced ... would you believe senior Raiders constitute starting five? ... technical — on the floor, out the door, go ref' go! ... Frederick or "bust"! ... we're ALWAYS No. 1 ... netters keep racket ... at last, a few days of vacation ... New York, ready or not ...

... caps and gowns fitted ... senior day a success ... annual dedicated ... an excellent prom ... "she shot a hole in my soul" ... Nags Head - on your mark, get set, go! ... exams - again! ... a day of rest ... a gold tassel for me ... that white parchment in hand, off we go ... tears of relief, of joy, of sadness, of fondness! ... How do you say good-bye to a part of yourself?

Jane,

It's been fun knowing you up to now.

At the first of the year we kind of hated each other. I would pick on you and get you mad, then you would cut me down and make me mad.

We have done alot together, up til now. I do hope it continues.

You have been great to me, listening to my problems and all. you helped me out when Bertrand got messed up. Even though you do know me like a book, I still don't want to admit it.

It's been nice knowing, seeing, and having you in my classes. May be if I'm lucky, I'll get to know you and we might be in each others class.

Best of luck to a real cute girl who I admire alot,

The Business Staff of the "Peanut"
would like to thank all the people who
made this annual possible and who
supported it.

(you) hasn't this year really flown by fast. But, don't leave all those good times behind. Always remember (Jimmy) and I had you playing around with pennies. You would always win because I didn't know how to play about your dates. I'll never forget telling me I'll always remember some cute boy friends. I hope we've told them what they want. Don't ever forget Frankie's friends. They were it bad (you know). Don't ever forget Science class. All we did was talk. Jimmy & I know we've given him a few gray hairs. I know I want to write a page at S.H.S. about you the very best of luck.

class has been a ball
this year, especially
with Mr. Piucci. He
really is dumb. Best of
luck to a sweet and nice
girl. See you this summer
and in Geometry next year.

Always -
BTA

Jane,
Well, she is with me, I know not where
begin. This, to me, has been a great year.
hope the same to you. To begin with, we really
didn't start actually talking to each other
until the second semester. I enjoy every minute
of talking and laughing with. I am just sorry
that we can't get along. I know that I
am not the best thing to get along with.
all those things we said to each other in
French, I never meant one word of it. Those
days, I must of just been in a worst mood
to of said those things. We have had our
bad and great ~~the~~ times. That party of
Jimmy Knox's was all right, but not
with all of those sophomores. They are not
to bad. Getting off that subject for a
while, I'll talk about that Algebra class.
We really had a blast in that class this
year, even with Mrs. Lynch, but Mr. Pierce
is for the birds. Mr. Pierce has really made
it hard for me this last 6 weeks. Now,
for Mr. Whitey Whitehurst, I really ~~love~~
can't stand that man! He really just
~~is~~ fires me up! You seem to get along
with him better than anyone else in there.
I guess because you are so quite!! Ha! Ha!
